NEW DEFENCE TENDERS THIS WEEK: 13 August

FORWARD LOOK: ESTATE WORKS PROGRAM TENDER SCHEDULE

EWPNOTICE 02-2020

7 SEP

- Notice - Defence Support and Reform Group

The purpose of this notice is to advise industry that Defence has, as of the 7th of August, updated the Estate Works Program Tender Schedule onto the Defence Estate Quality Management System (DEQMS). Similar to what has been issued in the past, this schedule will provide a forward look of anticipated Approach to Market for specific projects. Please note the updated Schedule is indicative of Tender releases grouped Quarterly. In the current environment, Defence strongly recognises the importance of this information to enable Defence Industry to plan and manage their workforce and resources. The identified projects will be delivered either as Open or Limited Tender, subject to Defence decisions and applicable Commonwealth Policies.

The DEQMS link will be via:

<https://www.defence.gov.au/EstateManagement/lifecycle/EstateWorksProgramManagement/Default.asp>

The Estate Works Program outer year budgets are currently being augmented in line with the Departments response to assist in stimulating the economy. The net result of this is an expected increase in projects to be released through the Estate Works Program over the coming years.

Closing Date: 12:00 PM Monday 7 September 2020

Enquiries: Kirsteen Jones, Tel: (02) 6266 3237, Email: kirsteen.jones@defence.gov.au

MORE, TOGETHER: DEFENCE SCIENCE AND TECHNOLOGY STRATEGY 2030

16 AUG

- Industry Briefing - Defence Science and Technology

The More, together: Defence Science and Technology Strategy 2030 was publicly launched by the Minister for Defence on 4 May 2020. The Strategy sets the direction for Defence's science and technology over the next decade, focusing science and technology for our defence and national security.

Defence Science and Technology Group will be providing online information sessions between 18 -27 August 2020. You can register your interest in attending these sessions now.

Closing Date: Sunday 16 August 2020

Enquiries: Email: Strategy2030@dst.defence.gov.au

Copies of IB: dstdefence.eventsair.com/strategy-consultations/strategycon/Site/Register

D.START

27 AUG

- *Call for Submission - Defence Science Institute*

D.Start is an eight-week hands-on learning experience for research teams of two to five members working on projects with the potential to shape Australia's security or give our Defence Force an edge, D.Start will help identify a real-world application for their science or technology and attract the resources they need to translate it to capability.

Delivered by the Department of Defence in partnership with CSIRO, D.Start is modelled on the highly successful ON Prime:Defence program and combines expert knowledge with powerful connections to increase opportunity for translation – at pace!

Webinar: A Webinar will be held [via this link](#)
